A student cannot compete in events listed in the same column above because they are tested at the same time.

These events can be will be self-scheduled or self-submitted and therefore have no inherent conflicts:

- Mission Possible
- Mousetrap Vehicle
- **Helicopter**
- **Cybersecurity: no conflict has been designated, so select as you would a build event**

All events will be taught virtually until at least January 1, 2021. Eventually, some build events students may have the opportunity to collaborate in person depending on local, state and national guidance.
